A United States government engineer has patented and dedicated to the public early transported apparatus for mine rescue work in cases where the regular hoisting apparatus has been damaged.

Vudor Porch Shades

Summer Pleasures without Summer Discomforts! Indoors it's sticky and moist. On the porch it's cool—when the Vudors are down.

Why not eat, sleep, live there this summer? Thousands do it. The cool air gives appetite and forces you to dreamless sleep because it bathes the nerves while you sleep. It cures them.

Vudor Porch Shades cost little. They give air but keep out glare. You can look out through Vudors, but not in through them. They last—they keep "that new look," for they're stained, not painted, nor dipped.

We have a nice line of Pony buggies.

J. S. FOWLER

Ford

Put the difference in the bank. The saving between Ford cost and heavy car cost is "velvet" for the prudent buyer. He knows the Ford not only saves him dollars but serves him best. It's a better car sold at a lower price and backed with Ford service and guarantee.

Five hundred dollars is the price of the Ford runabouts; the touring car is five fifty; the town car seven fifty—f. o. b. Detroit, complete with equipment. Get catalog and particulars from Archie L. Todd, local dealer, Anderson, S. C.

THEY WON'T FALL OFF

when provided with a clip that fits your own nose. Glasses that won't shake off are a specialty with us, and you don't have to tie them on, either. That's only one of their advantages. The best is that we fit them accurately to your eyes. For the glasses we charge from \$2.00 to \$5.00 and upward according to the style and frame. Repairs on frames and parts 10 cents and upward.

Every person here will follow them to their new home. Batesburg. Rev. Tate a widely known throughout South Carolina and is among the leading ministers. He is a man of strong convictions, an able speaker and pleasing manners.

PICNIC AT WILLIAMSTON.

Baptist Sunday School of Belton Enjoyed Picnic Wednesday. The picnic given by the First Baptist Sunday school of Belton Wednesday at Williamston Park was a grand success. The G. S. & A. had charge of the picnic party, the first cars leaving Belton at 9 a. m., and the second at 11 a. m. The crowd returned in the afternoon well pleased with the day's outing at the beautiful Williamston Park. Hundreds of Belton people were on hand and every one present seemed to enjoy every minute of the day.

Williamston is an ideal place for a picnic, and the mineral spring, the beautiful shade trees and other conveniences make this place very popular for picnics. The park is free to everybody and when we say that the Baptist Sunday School of Belton had a pleasant day there Wednesday we voice the sentiments of hundreds of Beltonians. Ice water, fried chicken, cakes of all kinds and several other nice things to eat, made the day one long to be remembered. For years the First Baptist Sunday School has been giving a picnic in this lovely park and Wednesday's outing was up to the standard. Belton folk are noted for their hospitality and special attention is always paid to strangers on these occasions.

N. G. Taylor, proprietor of Taylor's studio was present and photographed the crowd just before dinner and he hopes in the next day or so to be able to furnish any one a picture of the picnic group.

Mr. Taylor has the picture of the picnic party on sale and will be glad to sell them to any one desiring one or more. We believe that this picture will be a good seller, especially to those present at the picnic.

VINE COTTON STALK

H. P. Davis, who resides one mile from Belton on O. K. Poore's plantation, was among those who called in to see us Saturday. Mr. Davis brought us a stalk of cotton taken from a 16-acre field which is very fine. This stalk of cotton measures 18 inches and has 15 limbs and several forms. He has four

acres of cotton which came up after the rain. This is also good. Mr. Davis expects to make 16 bales on this 16 acres. He used 800 pounds of fertilizer to the acre. He has six acres of very good corn which has been "laid by." Every section of the county is sending in good reports of young cotton since the rains of a week or ten days ago.

Cubhard Creek News.

The farmers of this section have a good stand of cotton. Crops are looking fine. Rain has been plentiful as well as the grass.
